Profile

M.Sc. Design with interdisciplinary background in the intersection between medical science and information technology. I leveraged this as an IT Consultant by leading project analysis, documenting features and design for projects, as well as contributing to code.

I invest my spare time in supplementing my education, building new software, exploring Iceland, and traveling throughout the U.S. to network with others in tech.

Education

IT University of Copenhagen   08/2020 — 06/2022

Master of Science in Digital Design

Thesis: Type-Extensible Objection Notation (TXON)
